## URGENT HUMANITARIAN APPEAL RE: Forced Conscription and Disappearance of Ukrainian Citizen, a Friend of GERMAN & ISRAEL CITIZEN (Holocaust Survivor Grandson)

---

### TO:

- The International Committee of the Red Cross
  - The UN High Commissioner for Human Rights
  - Amnesty International
  - Human Rights Watch
  - The Office of the German Chancellor
  - International Media Outlets
- 

**FROM:** Dr. Artiom Kovnatsky

**DATE:** 21.09.2025

**SUBJECT:** Urgent Request for International Intervention - Missing Ukrainian Citizens

---

### INTRODUCTION

My name is Dr. Artiom Kovnatsky. I am a dual citizen of Germany and Israel, and the grandson of Holocaust survivors. I write to you not as a politician, but as an individual whose family history is inextricably linked to the greatest tragedy of the 20th century.

This history has taught my family one indelible lesson: **silence in the face of state apparatus that strips individuals of their basic right to life makes us complicit.** Today, I witness this history repeating itself.

### THE IMMEDIATE CRISIS

I am reporting the disappearance of three Ukrainian citizens—the Krasnikov brothers and their younger half-brother:

#### Missing Persons:

- **Dmitry (Dima) Krasnikov** - disappeared between July 10-17, 2024

- **Viktor (Vitya) Krasnikov** - disappeared after being briefly released by TCC
- **Vladislav Krasnikov** (younger half-brother) - disappeared between July 10-17, 2024

### Timeline of Events:

1. **July 10-17, 2024:** Vladislav goes missing
2. **Following weeks:** Viktor detained by TCC (Territorial Recruitment Center)
3. **After Vladislav's disappearance:** Their mother suffers a stroke
4. **Brief release:** Viktor temporarily freed "to care for mother" - then disappears
5. **Current status:** Dmitry also missing, circumstances unknown

### Critical Context:

Dmitry is a devout Christian who has expressed conscientious objection to military service. Having known him since childhood, I can attest that participation in combat violates his deeply held religious convictions. His forced conscription represents a clear violation of international law regarding conscientious objection.

### LEGAL BASIS FOR THIS APPEAL

Ukraine's current conscription practices violate:

- **Universal Declaration of Human Rights** (Article 18)
- **International Covenant on Civil and Political Rights**
- **European Convention on Human Rights**
- International principles of **conscientious objection**

### DEMANDS FOR IMMEDIATE ACTION

I formally request:

1. **Immediate Investigation:** International intervention to locate and ensure the safety of Dmitry, Viktor, and Vladislav Krasnikov
2. **Legal Recognition:** Acknowledgment of Ukrainian citizens' right to conscientious objection under international law
3. **Humanitarian Access:** Opening of humanitarian corridors for those refusing military service on conscientious grounds

### DEADLINE FOR RESPONSE

**If no clear response is received within nine (9) days of this correspondence, it will serve as further evidence that fundamental human rights principles have been subordinated to political expediency.**

I urge you to use all available influence to prevent further tragedy and uphold the international legal framework that protects individual conscience and human dignity.

---

**Respectfully submitted,**
